

ISO 26000: TRANSFORMING SOCIAL RESPONSIBILITY TO SUSTAINABILITY (2-DAY WORKSHOP)

DATE & TIME: 20th -21th June 2023 (9:00AM- 4:00 PM)

LANGUAGE: Thai

Maximum participants: 30 Persons

This condensed, interactive workshop on ISO 26000 focuses on transitioning from a focus on Social Responsibility (SR) to a broader perspective on Sustainability. Participants will gain an understanding of the key principles, core subjects, and issues related to social responsibility, and learn how to integrate sustainability into their organization's strategy and operations through group activities and practical exercises.

COURSE OBJECTIVES:

Understand the fundamentals of ISO 26000 and its relationship to sustainability.

Gain insights into the key principles, core subjects, and issues related to social responsibility.

Learn how to effectively integrate sustainability into an organization's strategy and operations.

Enhance stakeholder engagement and communication skills.

Apply practical knowledge through group activities and case studies.
